

## AT THE FLORIDA FORESTRY ASSOCIATION, MEMBERSHIP MATTERS.

The success of any association depends upon an active and engaged membership. Three easy steps will put you on the path to making a difference for your Association and your industry:

- 1) Check the circle beside the committee(s) of your choice and fill out the contact information.
- 2) Return this form by mailing it to the address at the bottom OR email your committee choice and contact information to [Info@FLForestry.org](mailto:Info@FLForestry.org).
- 3) Attend the next committee meeting. We expect committees to meet no more than twice each year; in some cases, members will be able to participate through conference calls.

**It's quick. It's simple. It makes a difference.**
